A black and white illustration of a muscular, bearded man with a crown, holding a spear and a shield, standing in a dramatic pose. The man is depicted with a large, ornate crown and a thick, dark beard. He is wearing a loincloth with a fringed hem. He holds a long spear in his right hand and a shield in his left. The background is dark, with a large, stylized, light-colored shape on the left side, possibly representing a flag or a large object. The overall style is reminiscent of a woodcut or a high-contrast graphic print.
